

COVENANT AGREEMENT

The Next Level Relational Network exists to pastor ministry leaders so they can lead healthy and high impact churches. We are a family of churches, becoming a movement, that's on a mission to eradicate hopelessness amongst pastors.

OUR COMMITMENT:

To be on mission, the Relational Network is committed to provide Brotherhood groups for the men and Sisterhood groups for the women, where each lead pastor couple is known, loved and challenged through authentic relationships. We are committed to make sure each group is led by a biblically qualified pastor that is called and trained to pastor ministry leaders.

We are committed to function according to our **Core Values** of:

- **Love** - We are called to be more in love with Jesus than the ministry we lead.
- **Faithfulness** - We are called to face fear, be faithful in trials & trust God through it all.
- **Purity** - We are called to a righteous standard.
- **Leadership** - We are called to lead in health, strength and clarity.
- **Sharpening** - We are called to confront apathy and embrace teachability.
- **Strengthening** - We are called to increase self-awareness and give courage to make hard decisions.

The Relational Network is committed to give each member in good standing access to Next Level Church content, resources, strategies and access to our staff as necessary. We are committed to provide pastoral care in times of need within the network.

The Next Level Relational Network expects all its members to be committed to:

- Live out the Core Values.
- Actively participate in a Brotherhood Group with the option of your wife participating in a Sisterhood Group.
- Be active with your group by sharing wins, pressure points, and encouragement.
- Be open and vulnerable about where you are personally and the church.
- Commit to keeping confidentiality regarding what is shared within your group.
- Consistently give to the Relational Network through the mission's budget of your church.
- Make an effort to attend In-Person events, Regional One Days and the Next Level Leadership Conference.

COVENANT:

I am the lead pastor of my church that is enrolling into the Relational Network. On behalf of my church, I hereby commit that we have prayerfully considered, read the above document, understand the commitment, core values and expectations to be a part of the Next Level Relational Network. We will participate in groups, give and live out the Relational Network core values to the best of our ability.

As covenant partners, should there come a time in the future, that we sense to end our membership with the Relational Network or a change is happening within our church, we commit to pray, seek wisdom, and initiate a conversation with our Group Leader and the Next Level Relational Network Staff.
